**PETALING JAYA:** The next time you want to throw away that empty drinks carton, think again. Recycling it will get you new drinks and even win you some shopping vouchers.

Petaling Jaya residents will have a chance to win prizes during a recycling campaign held in conjunction with Ramadan.

Petaling Jaya City Council spends RM30 million annually on garbage handling, and the fasting month is usually when costs spiral upwards as many residents buy more drinks by the carton.

From now till Sept 28, the campaign will let residents trade in empty drinks cartons for new packets of drinks.

If the empty cartons amount to 30 or more, the resident will

get 12 packets of drinks and a lucky draw ticket.

The draw will be held on Sept 28 at 6.30pm in Jalan Cecawi 6/19, Kota Damansara.

Another contest to be held in tandem with the recycling campaign is a "count the empty boxes in a jar" contest.

The winner will win a month's supply of drinks.

City council director of development planning Sharipah Marhaini Syed Ali said the campaign was held to encourage recycling among PJ residents, especially during Ramadan.

Meanwhile, several bazaars will be held from 4pm to 7pm in the following locations:

- Jalan SS6/1 (Sept 2-7);
- Jalan 14/28 (Sept 8-14);
- Jalan PJS2/3 (Sept 15-21);

and,

- Jalan Cecawi 6/19, Kota Damansara (Sept 22-28).

From now till Sept 28, the campaign will allow residents to trade in empty drinks carton boxes for new packets of drinks.
