

# INTERACTIVE ACTIVITIES

NO	PRODUCT AND DESCRIPTION
<b>Station 1</b>	<p><b>3D-AR Four Season Tree@live</b></p> <p>Experience all the 4 seasons from this tree in 3D. Visit the Winter Zone and you will get to see and 'feel' snow, learn about the habits and features of winter animals, and so on.</p> <p>Explore the other seasons and discover over 50 different species of insects, animals, and plants. Observe the vibrant colors of spring blossoms, marvel at the intricate designs of summer butterflies, and take in the breathtaking foliage of autumn leaves.</p> <p>With each season, you'll expand your knowledge and deepen your appreciation for the diverse life that thrives in our natural world. Don't miss this opportunity to learn and connect with nature like never before!</p> 
<b>Station 2</b>	<p><b>3D-AR Wall@live - Panel</b></p> <p>A fun and engaging way to learn about different topics with our large thematic portable panel, equipped with an interactive Augmented Reality App! With this innovative tool, images of objects on the panel are transformed into 3D models that come to life with animations, sounds, and interactive quizzes.</p> <p>With each tap, you'll gain new insights and knowledge about the object's features. Take a quiz to test your understanding and reinforce your learning through fun and interactive games and challenges.</p> <p>Our thematic portable panel and Augmented Reality App offer a dynamic and engaging way to learn. Don't miss this opportunity to expand your knowledge and enhance your learning experience!</p>
